

2015

hi Hani, are you there?

👉 Caro 👈

I sent you dms on your other account, good morning ☐ ☐

18. Feb.

Hani

For a long time I do not see anything more of you. Is everything OK?

24. Feb.

Hi! Yes, everything is ok, just busy, my daughter has vacations this week and we are doing things, just taking a break

👉 Caro 👈

How are you?

26. Feb.

Hani

I feel OK. Did you read in my "cloud"? It's not all that I own. I have'nt loaded everything into the cloud. You tell him that? What he say?

26. Feb.

Hani

Your daughter has vacation? I thought she was a little girl. ☺

26. Feb.

👉 Caro 👈

Yes, School holidays, she's at home.

26. Feb.

Hani

You have answered me only one question. ☺ All the best for your daughter. I hope she is well again. ♥

27. Feb.

👉 Caro 👈

Morning Hani! I'm sorry, very busy week.

Yes, i told him.

I wanted to ask you some things about what i saw there

2. März

👉 Caro 👈

You told Maria that the screenshot that i sent you was a proof of professional monitoring and that she uses exclusive pics of him

2. März

👉 Caro 👈

You know that i always told you that the pic it's fake. I don't know why you told her that.

2. März

Hani

Good morning Caro. What you wish to know? Actually, I did not want to talk about everything. I feel very hurt.

2. März

👉 Caro 👈

Oh, I'm sorry Hani, then we can talk in other moment if you want, don't worry

2. März

Well, she talk me, I should not believe everything I read. I saw this image in your avatar. Why should they use a fake for themselves where

they (at the time at least) come in contact with him was over and it was also very proud of? It is illogical, sorry. I said she is monito-

Hani

red, as we all are monitored here. That was all. Caution is always the mother of Prozellan crate.

2. März

It turns for me now the question, how do you know? I think they have no contact with each other? Has she told you about yourself? Probably

Hani

not, she knows nothing of you, right? Do you take me for a fool?

2. März

Hani

If you do not honestly be with me, I will begin to communicate about these things. I honestly fed up!

2. März

👉 Caro 📩

I never took you as a fool, what are you talking about?

2. März

👉 Caro 📩

I tried to explain you how things are, but you just want to take your own conclusions

2. März

Hani

I'm talking about what I feel. I talked to M via DM. How do you know the content of our conversation? I want an honest answer!

2. März

The content of your conversation with Maria?

👉 Caro 📩

Because you sent me your archives : /

2. März

Hani

So far, Marie knows how else no one else from you. No, I talk later with her.

2. März

I don't really understand what you try to say, really, being honest.

👉 Caro 📩

But, do you think i can read your dms with her by my own?

Do you think i'm a hacker?

It's i don't understand

2. März

👉 Caro 📩

Do you really think that I'm a professional monitoring your moves?

2. März

Hani

No, I do'nt believe, you are a hacker. ☺ I think Maria talk with him and he talk or write with you.

2. März

Hani

Yes I think of a professional Make sure that you do it or another or several other does not matter.

2. März

👉 Caro 📩

i told you the honest truth. He's not in contact with her.

You don't want to believe it. It's ok.

You don't have to understand everything

2. März

👉 Caro 📩

Who do you think that i am?

What do you think that i do?

2. März

Hani

Sorry wrong translation. I mean: I think of a professionell inspektion. Whether you do it or any other person.

2. März

Hani

Really, I do'nt know. You are not honest. I should speak. But you're talking about never. No wonder, when you lose confidence.

2. März

👉 Caro 📩

Well, Neither X nor me are professional doing anything.

If we were, If we could read private things, or to access to people's accounts...

2. März

Hani

What I hear from you is not credible. I mention it, I get no response.

2. März

etc. We would have finished with those annoying fakes.

What thing is not credible?

👉 Caro 👈

You don't want to believe me. that's it.

Don't tell me i'm not being honest.

I tried to explain you how things really are.

2. März

👉 Caro 👈

*tried

2. März

Hani

You read any private things, that's right. You talk about what is told. Therefore, you know the conversation with Maria.

2. März

👉 Caro 👈

Really. I can't believe it.

You showed to me your dms with Maria Hani.

You showed it to me.

That's how i know it.

2. März

Hani

That's just it, I get the impression you want to show me the things the way they should be seen - perhaps to protect him.

2. März

👉 Caro 👈

No.

2. März

I will not argue, dear Caro. Really. I do not have a good day today. There were today Ärger with my husband. We do not talk to each other.

Hani

We speak at a better time, OK? Please forgive me, if I chose evil words. It was not meant that way.

2. März

👉 Caro 👈

It's your impression. Your interpretation.

If you don't want to believe me, that doesn't mean that I'm not being honest.

2. März

Hani

"trouble with my hubby" I mean.

2. März

Hani

Well, then please tell me what you're doing.

2. März

👉 Caro 👈

I'm sorry, I hope it will pass the anger between you two soon

2. März

Hani

You speak nothing that is true or not? You talk only about what I already know.

2. März

👉 Caro 👈

What I'm doing with what?

2. März

Hani

Caro, I must now once again prepare lunch. Please excuse me. Perhaps reconciled a good meal a little. 😊♥

2. März
🔒 Caro 🔒

I hope
2. März
🔒 Caro 🔒

"You speak nothing that is true or not? You talk only about what I already know."

Hani, You showed me your other account, i did see
2. März
🔒 Caro 🔒

there things that are not how you think.
I tried to tell you that the pic it's fake.
I tried to tell you that he's not Jeff.
2. März
🔒 Caro 🔒

That Dai is not Maria.
That he's not in contact with Maria.
... etc.
2. März
🔒 Caro 🔒

And i told you this because it's the truth and i did see that you were lost.
You were taking wrong conclusions.
2. März
🔒 Caro 🔒

I wanted to help you, since i know how things really are.
I don't have any interest in to lie to you
2. März
🔒 Caro 🔒

And about the screenshot i showed you, it's not a professional monitoring, at all.
I just used a page web to see the exif data of her pic.
2. März
🔒 Caro 🔒

That one --> <http://regex.info/exif.cgi>

The screenshot shows the 'Jeffrey's Exif Viewer' website. The browser address bar displays 'regex.info/exif.cgi'. The page title is 'Jeffrey's Exif Viewer'. There are two input fields: 'From Web' (selected) and 'From File', with an 'Image URL:' field and a 'View Image At Url' button. A '[CLEAR IMAGE]' link is also present. On the right, there is a sidebar with 'Jeffrey Friedl's Image Metadata V (How to use)', a note about browser functionality, and links to 'My Blog', 'Lightroom plugins', and 'Photo Tech'. The main content area is titled 'Basic Image Information' and shows 'Target file: B5YLFkgIEAAnZVd (2).jpg'. Below this is a table with the following data:

File:	300 x 300 JPEG 27,279 bytes (27 kilobytes)
Color Encoding:	Embedded color profile: "sRGB"

To the right of the table is a preview of the image, which is a close-up portrait of Michael Jackson. Below the image is the text 'Main JPG image displayed here at 100%' and a caption 'Click image to isolate; click this text to show histogram'. Below the image preview, the text 'Here's the full data:' is followed by 'XMP' and a table:

About	uuid:fa95b065-ba3d-1106-8031-0300718271d
Creator Tool	Microsoft Windows Live Photo Gallery 15.4.3538.513

Below the XMP table, it says 'EXIF — this group of metadata is encoded in 4,266 bytes (4.2k)' and shows a table:

Orientation	Horizontal (normal)
-------------	---------------------

2. März
🔒 Caro 🔒

You didn't want to tell me where did you see that her pic were taken in 2014.
2. März

🕒 Caro 🕒

In that page I did see "profile data time - 2014..." etc.

2. März

🕒 Caro 🕒

That doesn't mean that the picture is taken in that date. No.
That means that the pic was used as profile pic in that date.

2. März

🕒 Caro 🕒

You rather to think that I'm a professional, that i work for MJ, that i'm Troot, That i'm lying to you to protect him... etc.. It's ok.

2. März

🕒 Caro 🕒

Think what you want.

But let me tell you that you are wrong.

2. März

🕒 Caro 🕒

"If you do not honestly be with me, I will begin to communicate about these things. I honestly fed up!"

And... Can you explain me what do

2. März

🕒 Caro 🕒

mean with that?

To communicate about these things with who?

2. März

🕒 Caro 🕒

I'M BEING HONEST.

YOU DON'T WANT TO BELIEVE ME.

WHAT MORE CAN I DO?

2. März

🕒 Caro 🕒

With your warning, i only can feel that i did wrong trusting you.

2. März

Hani

So it is with confidence. It's so easy playful. Since there is pain, disappointment, the feeling of being cheated and bullied and already is

2. März

Hani

doubt about loyalty to owe someone.

2. März

🕒 Caro 🕒

Tell me. In what thing i'm not being honest?

2. März

Hani

Caro excuse me, now I see, you wrote me in the last 2 hours so much! I do'nt have read this all. I will answer you a little later, is it OK?

2. März

🕒 Caro 🕒

It's ok.

2. März

🕒 Caro 🕒

I can't answer why she uses fake pictures.

I don't know her reasons.

I know that X has nothing to do with what she does.

2. März

🕒 Caro 🕒

As a distraction from what?

Do you really still think that the pic is real? I can't believe it

I showed you. It's fake. Edited. Fabricated

2. März
Hani

Now I have read it all.
2. März
Hani

I know this wasn't a photo. It looked like a screen similar to that of Bobby Anderson. She was so proud. She wrote, we can feel blessed us.
2. März
👉 Caro 👈

Maria called Jeff "King of Pop"?
2. März
Hani

I think you said it yourself read. Did it all come up with? X has confirmed to me that he had spoken to her on Skype.
2. März
Hani

I read it. I'm not sure, if it was Maria but I think. Perhaps i find it, then I will show you that.
2. März
👉 Caro 👈

Maria calls Jeff "king" in affectionate way.
That doesn't mean King of Pop.
And he calls her "queen".
Nothing to do with MJ.
2. März
Hani

I'm sure I have it. In my notes.
2. März

I'm lost.

Sorry. I'm lost.
👉 Caro 👈

So, do you still think that X is Jeff?
2. März
👉 Caro 👈

"X has confirmed to me that he had spoken to her on Skype."
Yes, and i never told you otherwise.

2. März
Hani

Until now, I believed it. He gave up his anonymity only for a short fun with a young goose? I can not believe it. He was much more serious.
2. März

And I also had the impression that their contact was very important. Only for 14 days ??? It may happen that you as soon noticed it does
Hani

not fit. But it is rather rare. ☺
2. März
Hani

Therefore, I also believe that Marie has a new account. All this I have long wished to keep to myself.
2. März
👉 Caro 👈

Hani, can you explain me where do you see that someone is calling Jeff King Of Pop?
2. März
👉 Caro 👈
I'LL_BE_THERE @blu_eyes_17
Yes sir King Of Pop

Check out @blu_eyes_17's Tweet:

2. März
Hani

Caro, I send you a pic. You do'nt have seen that? Look our timeline, please. I read it in the favorites of Jeffcwilkes9. Dec. 29

2. März
Hani

How you bind the tweets into our DM's?

2. März
Hani
2. März
Hani

All this, even though she feels blessed to be with him? No Caro, the best of intentions, it is not credible to me.

2. März

Hani, are you there right now?

Yes, I'm here.

2. März

I saw it. Again we speak a little now. ☺ However, a few clouds hanging still, unfortunately ☹

2. März

👤 Caro 🗨️

Well, don't worry. That happens in the best families

2. März

Hani

It was such a ridiculous reason. But it is probably forever. ☹ He wanted to see his early sports on TV and I had another interesting program

2. März

that I wanted to see. Actually, we make two more early morning exercise. When he change the program, I said "OHHH" that was already too much

2. März

2. März

I have to leave about the same hour

👉 Caro 👈

It's 19:25

2. März

Hani

With me too. ☺

2. März

👉 Caro 👈

I knowww. It's the same hour in Germany and in Spain :)

2. März

Hani

Maybe it's best we forget history with Mary. Actually, I did not want to talk about it. It's his life, he can do what he wants. He owes

2. März

Hani

me no justice. If I am convinced of wrong things, which is why he wants to put it right? It may be he does not care what I think. It is

2. März

irrelevant. It would be important rather, if what I think is the Truth. Then you could theoretically find about Marie his stay. That would

Hani

be dangerous. But not false considerations that I have any. ☺

22. Juni

Dear Caro, your words warm my heart and give me a little confidence. It is not so easy to realize how limited are the possibilities of doctors and therefore your life. But I try to do everything to stay on the side of my beloved hubby - at least a few more years. I will operate soon - I do not know what needs to be done. Maybe a pacemaker - perhaps an obliteration of wrong sinus node. I can not live permanently with a pulse of 32 and exposing the heart beating of more than 2 seconds. Then again a frequency of more than 180 over many hours. Blood pressure goes crazy at this time. Soon I'll know how my treatment is continued. It will take Specialists.

🙏 Caro 🙏

I'm so sorry that you have to go through all of this

24. Juni

Please stay calm And trust your doctors, everything will be ok

🙏 Caro 🙏

Thank you for keeping me informed

I wish you all the best, from muy heart 🙏

Morning Hani! 🙏

🙏 Caro 🙏

I'm desperate, I now got an appointment for an operation. It is a cardiac pacemaker can be used. But he will not help me, he can not prevent the atrial fibrillation of the heart. I need another therapy, but it is not available here. Already in June 30 I want to be operated on. No specialist has seen me before. I do not trust. I'm not going to have an operation. Everything is subordinated to the profit, patient comfort is important.

Please stay calm

I'm not really sure if i'm understanding everything

25. Juni

🙏 Caro 🙏

Your doctor says that you need a cardiac pacemaker, so they sent you the appointment for your surgery, but, you don't want that surgery?

25. Juni

🙏 Caro 🙏

But you want to be operated in June 30, so, you want that surgery, right?

🙏 Caro 🙏

Oh ok, sorry, i think i understand now.

25. Juni

You have an appointment for your pacemaker surgery

And you want to be operated.

🙏 Caro 🙏

But you need another one, and it's not available there, so you have no hope in getting that treatment

25. Juni

🙏 Caro 🙏

And why is that? because it's expensive?

25. Juni

A pacemaker doesn't help me- it does not help patients with atrial fibrillation. I will continue to get atrial fibrillation. Therefore,

I should then get even other drugs that should I use for the rest of my life. These drugs put the heart rate down massively. The pacemaker Hani

is to compensate for this. I see in this therapy does not make sense. I need a catheter ablation, which is a desertification of areas in

25. Juni

the heart of the ones providing these false signals. But this treatment make use of specialist clinics. I will go to Frankfurt / Main and Hani

continue my treatment there. My daughter lives there, they will organize everything for me.

Hani

Hi dear Caro, I'm having heart surgery. I still have some complaints but I hope it will soon be all right again. 19 places were deserted in
16. Juli

the heart with high frequency current. There are now probably a few burns, the need to heal now. It takes time.
It's good the album is past

Should it remain so. Never a kit which will be read on the net again. I hope he appreciates my loyalty. But he probably has me long ago
Hani

erased from his memory. ☺ Thank you from my heart for your friendship and your compassion. ♥♥♥ With love your Hani
16. Juli

Hanii! How are you doing???

👉 Caro 👈

I'm glad to hear about you

20. Juli

👉 Caro 👈

I understand, it's take time, but you know you are strong, everything will be ok, i told you that you will come back ☺

20. Juli

Hi Caro, I'm all in accordance with the circumstances. It was not so easy and I am no longer 30 ☺

I have now considered my albums, so far I

had not dared. Unfortunately, all his portraits are deleted, why did you do that? What they had to do with his privacy? Actually, I had only

thought about the erasure of personal things, but unfortunately now is all gone. It is done, I had perhaps not expressed specific enough my

wishes. You've to not much time left and me neither.

You never me writing from him, why? I want to know so much, if he is doing well. Or

hast thou also lost contact with him?

I hope you are well, your daughter has good performance in school. It is so important, especially in

Hani

such a high unemployment rate among young people as in Spain. My two grandsons are not stupid but very lazy and will probably not promoted

22. Juli

Hani

enough. Parents have unfortunately far too little time. There is a crux.

My best wishes to you, your family & X! I think on you - every day!

22. Juli

👉 Caro 👈

Hi Hani!

29. Juli

👉 Caro 👈

I'm sorry for my delay answering you ☐ ☐

29. Juli

👉 Caro 👈

I hope you are feeling much better, maybe you are not in your 30s, but many women in her 30s would like to be as strong as you are ☺

29. Juli

👉 Caro 👈

Regarding your albums, i'm sorry if i didn't understand well your wishes

29. Juli

👉 Caro 👈

I didn't know that you wanted to save some things from your albums, you asked me to delete your account, which means to delete everything

29. Juli

👉 Caro 👈

I tried to delete your account, but i needed your email to confirm it, so i decided to delete the albums directly

29. Juli

👉 Caro 📧

I deleted everything that had to do with him, as private conversations with him and about him, info about his ex girlfriend... Etc

29. Juli

👉 Caro 📧

You know what you had there are personal things.

I haven't deleted Front's albums, neither your pictures

29. Juli

👉 Caro 📧

I'm sorry, i know that you had a good collection, that takes time to organize and etc, but i think it's better like this, for him

29. Juli

👉 Caro 📧

Just imagine if someone gets to hack you and share what you had saved there

I don't think that you would be happy with that, and less him

29. Juli

👉 Caro 📧

I know that you understand it

You have saved in your heart the time that you shared with him, your talks, let it there, it's the safer place

29. Juli

About him, well, you know that i don't talk too much about him, but he told me how glad he is to know that you are ok,

👉 Caro 📧

That you are spending time with your family, that it's the most important thing, and not on twitter

29. Juli

👉 Caro 📧

He says that he has no regrets about having left twitter, that this social media is so harmful and toxic that can subtract years to someone

29. Juli

👉 Caro 📧

He really wishes that you find something that makes you happy, out of twitter too, something in which you could find interest,

29. Juli

👉 Caro 📧

Blogs about cooking of family, or whatever you like, or just spending time with your family, your hubby

29. Juli

👉 Caro 📧

About my daughter, well, she's a teenager now... ☐ ☐

29. Juli

She is a good student, but now there are some new problems... You know, she wants freedom, to take her own decisions...

👉 Caro 📧

Not so easy to conform her as before ☐ ☐

29. Juli

👉 Caro 📧

Thank you so much for your good wishes, sending a warm hug for you, and wishing you a fast recovery ☐

29. Juli

Dear Caro, I am really very pleased with your lines. I cook and bake really like, but it does not fill me out really. ☺ I have some other

ideas about the use of my time. It should call me a bit more. ☺ I have a blog about business, politics and stock market, which is something

that really interested me.

I am glad that you're okay and I think, also X can say at the moment. May it remain so, I wish him heartily.

Adolescence is a difficult time with many (sometimes very unpleasant surprises). You need a lot of patience, I have seen on your screen that

you are wearing a wedding ring, so I think you're married. What does he say about your commitment to X? Is he okay with that? Your work for

him is so extensive, you spend probably a lot of time on the PC. With my husband, I have from time to time discussions. ☺

I express to you

Hani

and send you my warmest greetings. Have a great time wherever you spending too!
