 Shazam!
 12. Sep.
 there are some similarities in his way of writing with other accs
 SOL7
 or they're too proud to let their dream go
 SOL7
 12. Sep.

I think it's likely that it's actually him. I sensed the same things from reading TS's post. Something I always "assumed" was that TS was working with MJ directly. I do believe now though, that they have been working together directly/indirectly through God. MJ recognized that "I can't do it by myself", a feeling he probably felt from God. I believe MJ is receiving help from God in many ways which includes TS.</p> <p>I have huge respect for TS and all that he's sacrificed for this hoax. And I'm deeply grateful for his strength, for sticking with us. God bless him!</p>

LOL 😊</p>

It is possible, Pure Love and Mo are the same person.

It's a Naturescape Native American painting with horses, eagles, wolves, mountains, etc., created by a Choctaw Indian. @Isida_
